SUMMARY

Human Resources Executive with experience in Forensic Economics providing consulting to the legal community on matters of economic damages relating to lost earnings capacity as well as on matters of employability.

PROFESSIONAL EXPERIENCE

FORENSIC HUMAN RESOURCES

2003 – DATE

Managing Director

2005 – DATE

Provides forensic economic consulting services including evaluation of lost earnings capacity and expert testimony of economic damages arising from personal injury, wrongful death and employment discrimination. Evaluates earning capacity and provides reports and testimony regarding an individual's earning capacity. Worked part-time for Mr. Jarrell researching topics such as wages and employability. During that period (2000 – 2004), I researched issues regarding wages and occupations and prepared reports regarding lost earnings, lost earning capacity and employability. In 2005 became the sole proprietor of Forensic Human Resources.

KIRWAN CONSULTING GROUP

2002 – 2007

Managing Director

Provided executive search services to companies. Responsible for client marketing, candidate sourcing, interviews and candidate presentation.

LAROCHE COLLEGE – Pittsburgh, PA

2001- 2002

Adjunct Professor, Recruitment and Placement

Taught graduate level course on staffing issues and procedures. Topics included: Manpower planning; legal aspects of recruiting and selection; competency-based selection and interviewing;

BOYDEN - Pittsburgh, PA

1999 – 2002

Associate

Provide executive search services to companies. Responsible for client marketing, candidate sourcing, interviews and candidate presentation. Primary focus is developing clients among Pittsburgh's high tech community, introducing Boyden's capabilities within that market. Responsible for internal IT support.

SONY ELECTRONICS INC. – Mt. Pleasant, PA

1995 – 1999

Staffing Manager, Sony Technology Center-Pittsburgh

Responsible for managing exempt staffing process, college relations program, the internal posting program and the Employee Referral Program for the 5 manufacturing Business Units of the Sony Technology Center-Pittsburgh. As a member of the Site's HR Management Team, participated in HR decision-making processes. The Team worked with the Business Units to provide guidance, install new programs and update Site policies and procedures. Developed quantitative reports using information from PeopleSoft and Resumix including those showing Site EEO statistics and Time to Hire.

- Played a major role in the growth of this site from 600 to 2900 company members in 3 years.
- Worked with Business Unit clients to determine future manpower needs and developed and implemented the staffing plans to attract sufficient numbers of candidates to meet those needs on a timely basis.

- Investigated resume tracking systems to facilitate customer responsiveness. Recommended the purchase of and directed the installation of Resumix version 4.1, subsequently upgraded to version 5.3. Managed the installation of the new system.
- Designed and implemented the site's employee referral program. Designed the marketing material and the systems to manage the program.
- Represented the Site in community School-to-Work programs.
- Participated on a company-wide task force to evaluate and redesign the Corporation's Staffing function.
- Initiated a re-evaluation of the STC-P hiring process to identify a speedier, less costly alternative while still maintaining the integrity, legal defensibility and quality of the process.
- Developed a program of Internet advertising/recruiting to decrease recruiting costs. Initiated Internet recruiting using free Web sites.
- Developed a college recruiting/relations program. Identified schools and professors and initiated contacts to increase Sony's visibility on campus. Arranged campus interview schedules.
- Worked with Business Unit managers to begin an intern program. Anticipated 20 openings for interns for summer 1999.
- Designed and developed Crystal 6.0 reports to manage the Site's staffing process.

PRO-TEM GROUP – Pittsburgh, PA

1994 – 1995

(Start-up firm established to provide Pittsburgh area companies with professional-level contingent employees. Responsible for marketing the firm's services. Interviewed accounting, finance and Human Resources candidates for placement with clients.)

Principal

- Developed and implemented the firm's marketing plan.
- Served as President, Pittsburgh Human Resource Association with a budget of \$200,000. The PHRA provides training services on HR topics and networking opportunities to local Human Resources professionals.

KIRWAN CONSULTING GROUP – Pittsburgh, PA

1992 – 1994

Principal

Provided clients with professional-level recruiting services. Responsible for marketing; sourcing and interviewing candidates; and assisting clients in the selection process.

- As Chairman of a trade association's insurance committee, involved in the negotiations with its health insurance carrier concerning plan design and rating structures. Responsible for oversight and problem resolution.
- Working with the carrier, installed a first-of-its-kind wellness program for the association. Responsible for monitoring its implementation and effectiveness.

THOMPSON, KIRWAN & ROBINSON

1991 – 1992

(A start-up firm providing career transition services to Pittsburgh area companies)

Vice President

Responsible for marketing the firm's services and working with executive clients to develop personal marketing plans and strategies. Developed the marketing strategy, which included organizing a target list of companies based upon revenues and employees; surveying the companies to determine clients' needs; and arranging meetings with the appropriate contacts to introduce the service. Assisted in the design of new services to present to clients.

- Designed and implemented the firm's initial marketing plan.

TEMPORARY ACCOUNTING PERSONNEL

1987 – 1991

President

ACCOUNTING PERSONNEL ASSOCIATES

1976 – 1991

Vice President

These companies provided both full time and temporary recruiting services to clients. Worked with clients to determine staffing needs; developed recruiting plans; sourced and interviewed candidates; and facilitated the interview and offer processes. Responsible for marketing the firms' services and sourcing candidates. Taught seminar sessions as requested for various professional groups.

- Instrumental in the start of the temporary employment business.
- Developed systems to track candidate activity and to manage both businesses.
- Designed, wrote and installed a multi-user information management system to store and retrieve information on candidates and contacts. Designed and wrote using Informix SQL product, the management reports to track activity levels.

U.S. ARMY

1969 – 1975

Captain

Performed a variety of duties in both command and staff positions.

EDUCATION

MA, Industrial Relations – St. Francis College, Loretto, PA – 1983
BS, Economics – Xavier University, Cincinnati, OH – 1969

PROFESSIONAL CERTIFICATION
